

Filip Marinovich**And if You Don't Go Crazy I'll Meet You Here Tomorrow****ADVANCED PRAISE FOR THE BOOK :**

RICHARD FOREMAN: "Full of smarts, which used to be called 'wisdom'. And here, now (thank goodness) takes on sharp shapes to disorient us to the depths."

CACONRAD: "What's happening? What is happening to me? The poems of Filip Marinovich, that's what! This book makes me cry, then laugh, it's awful, it's fantastic! In one sitting you will read it and want every book to possess such tangential magic! I'm stupid with love for the genius of Filip Marinovich!"

EILEEN MYLES: "I couldn't stop reading his seductive devastation. It's an experienced text. I feel changed by Filip Marinovich tonight and if I heard him read this long poem tomorrow I'd feel changed again. He urges us all to make a mess, to stay foolishly alive across deaths and borders while splashing in a puddle of language. We get to do that? Yes! He proclaims, vehemently, author of such permissive verse, a dirty Dr. Seuss, endlessly capable of teaching us."
