HOW TO READ THIS BOOK:

This *notebook* has been published in fragments; each fragment can be found in a paper book as cited on the reverse. Follow the citations to read the complete work. Before starting, please duplicate this bookmark (on a copy machine, or by downloading and printing it) 14 times. As you read, leave one bookmark in each paper book juncture.

KEY:

CH = chapter **ANS** = answer
P = paragraph **SEC** = section
S = sentence → = read through

The Paperless Books Dept. at Ugly Duckling Presse publishes and distributes books which escape attempts to keep them in one place. Though the term "paperless" has been more frequently associated with the possibilities of digital storage of language, in this case "paperless" is meant to address the basic assumptions and structures of book distribution and its relationship to how we read. The PBD hopes that such projects may result in novel ways of reading, writing, and distributing books.
